We are a coalition of over fifty nonpartisan organizations from across Minnesota that work to protect Medicaid from harmful changes and funding cuts.

**WE BELIEVE...**

Health and wellbeing are vital to strong and thriving Minnesota families and communities.

All Minnesotans should be able to see a doctor and get the care we need.

Caring for one another is an essential Minnesota value.

Medical Assistance, Minnesota's Medicaid, ensures all Minnesotans have the health care we need, when we need it. **This Is Medicaid** is working hard to preserve the promise of Medicaid.
